

## Request for Review of a Final Grade

If you have discussed your concerns with the Professor and Program Co-ordinator of your course and you are not satisfied, you may request a formal review of your final grade. The process and procedure is detailed in Section 18.1.a of the *Admission Requirements and Academic Regulations*.

You may not challenge a final course grade on the basis of an individual in-course piece of work that has or has not previously been re-marked. A request to review a final grade will normally be premised on a miscalculation of the final grade or deviation from the evaluation procedures described in the course outline.

To initiate a formal request, submit this form to the Associate Dean of the School responsible for delivering your course within 10 days of the release of the grade.
