## LAND ACKNOWLEDGMENT

---

Humber College is located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee and Wendat peoples between the Ontario Lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

Khaezel, Shanell and Helia are Bringing It to their Humber experience.

# STUDENT COMMITMENT

**Here's our commitment to you.**

## WE WILL

---

### **Provide you with a great learning experience**

Your courses will cover key learning outcomes of your program and will help to build on your knowledge. You will be able to integrate your education into your professional and personal life, preparing you for the next step in your journey. Your professors have designed your courses with activities that inspire thinking and creative hands-on learning experiences.

### **Help keep you connected**

You will have opportunities for meaningful interactions with your professors, Humber staff and your classmates. You will collaborate with other students. Our student success team offers services and supports both in-person and virtually to provide greater flexibility to students.

We will provide you with clear, transparent and timely communications through conversations, emails and our social media channels.

### **Foster an environment of wellness, kindness and inclusion**

We know that every student at Humber has their own story to tell and their own set of unique circumstances. We will work to understand your needs and to connect you with the right support. We expect that all members of our community interact in respectful ways that support Humber's commitment to equity, diversity and inclusion.

### **Do our best to be flexible**

As an institution, we try new approaches, new technologies, new ways of doing things, and we will continue to look for ways to innovate. We may make some mistakes. When that happens, we will acknowledge them, learn from them and work together to fix them. We will continue to seek out your feedback and keep you informed as you move through your educational journey at Humber.

# TEACHING AND LEARNING AT HUMBER

**The world can change quickly, and no matter what happens, we remain committed to our students, our mandate and our values. At Humber, these commitments guide us in all that we do.**

Quality learning experiences and exceptional supports are foundational to a Humber education.

We prioritize hands-on learning and finding new ways to ensure our students get this invaluable experience.

Work-integrated learning is an important part of our program delivery. Each program has its own approach to incorporating these activities whether through field and clinical placements or industry-based projects.

Online learning at Humber uses the internet, digital classroom platforms and various types of software. Online courses are designed by Humber faculty using a common set of design principles: simplicity, usability and accessibility.

Humber is committed to giving you a great learning experience.

The digital classroom allows students to:

- interact and collaborate with their peers
- contribute to class dialogue
- learn various ways to create digital content
- make connections outside of the classroom
- develop digital fluency skills

A variety of resources and supports, including **humberonline.ca**, are available to guide and support students with their online courses.

---

At the time of this publication, we intend to deliver all programs as advertised or indicated for the 2024 | 2025 academic year. At any time, we may need to alter our 2024 | 2025 program delivery plans for any reason.

# GET THE CREDIT YOU DESERVE

## ARE YOU A TRANSFER STUDENT?

You are a transfer student if you have completed or partially completed a program at a college or university and wish to continue your studies. As a transfer student, you can follow one of three paths:

### Transfer In

You want to transfer credits or credentials from another college or university or apply for credit based on prior work or life experience.

### Transfer Within

You are a Humber student or graduate wanting to transfer credits or get advanced standing into another Humber program.

### Transfer Out

You're looking to advance your education beyond Humber with another credential. Humber has transfer agreements with many post-secondary institutions throughout Canada and abroad.

## TRANSFER CREDITS

If you have completed a similar course at another recognized post-secondary institution, you may be eligible to receive transfer credits toward your selected Humber program. Use our step-by-step guides and online database to get you started.

## PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

PLAR is designed to recognize relevant learning acquired through life and work experience and translate this learning into college credit.

## DIPLOMA TO DEGREE BLOCK TRANSFER CREDIT

Complete your degree with us in less time. Graduates of Humber's many Ontario college diploma programs may be eligible for block transfer credit into one of Humber's bachelor's degree programs.

Graduates with similar Ontario diplomas may also be eligible for block transfer credit into a Humber degree program if their diploma program has the same program learning outcomes as the Humber diploma.

## \$1,500 AND \$2,500 DEGREE TRANSFER SCHOLARSHIPS

Humber awards degree scholarships to eligible students entering any Humber honours bachelor's degree program who have completed a one-year Ontario college certificate or a two- or three-year Ontario college diploma certificate or a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or higher will be awarded a one-time scholarship of \$1,500 for a certificate program or \$2,500 for a diploma program.

Look for the Pathways icon in our Program and Admission Requirements indicating which programs offer a pathway to advanced standing in a degree program (pages 18 to 34).

## EXPLORE PATHWAYS

Explore and compare your choices with our Explore Pathways Module.

We recognize the increasing demand for mobility between post-secondary programs. Humber offers you pathways into, within and out of Humber. Our Explore Pathways Module will allow you to learn more about a diverse range of inbound/outbound pathways, scholarships and more.

► To learn more about all your transfer options, email a transfer advisor at [transferoptions@humber.ca](mailto:transferoptions@humber.ca) or visit [humber.ca/transferoptions](https://humber.ca/transferoptions).

► Use this QR code to access the Explore Humber Pathways Module.

## PUTTING THEORY INTO PRACTICE

**Humber programs offer unique work-integrated learning (WIL) opportunities to prepare students for their future careers.**

Students apply what they've learned in class and in real-world environments through a wide range of academic, community and industry partnerships. These work-integrated and experiential learning opportunities may include field placements, practicums, clinical placements, co-operative education work terms, internships, applied research projects or service learning. You can work with industry partners to help solve real-world problems or work with us to explore how to start your own business. Students may also volunteer on- and off-campus or even participate in global opportunities.

► Use this QR code to learn what WIL looks like at Humber.

# NORTH CAMPUS

**Humber's North Campus has everything you need to be successful, all in one place. When you step onto North Campus, you enter a 'living lab' with endless learning opportunities. Have a meal in the Humber Room, our student-run restaurant, hire a student fitness trainer at our fitness centre or visit our high-tech Golf Lab for a swing assessment.**

The spaces at North Campus are designed to foster innovation and connection. Humber's Building NX, for example, is one of the oldest structures on campus and was recently transformed with an award-winning retrofit, renowned for its sustainability.

The Humber Arboretum and Centre for Urban Ecology boasts 250 acres of beautiful public gardens and natural areas for you to discover, and doubles as an outdoor classroom.

An open learning lab brings nature indoors and features grass-like carpet, collaborative study spaces and a dedicated area to unplug – all designed with accessibility in mind.

At Humber, there's room for everyone.

Providing services like counselling, health appointments and IT assistance are just a few of the ways Humber College demonstrates its commitment to student safety and success, helping to shape your future and reach your goals, whatever they may be.

## HUMBER CAMPUS COMPASS

Humber Campus Compass is our wayfinding app for iOS and Android mobile smart devices to help students and visitors find a wide range of campus features including classrooms, parking pay stations, vending machines, eateries, ATMs, accessible routes and much more.

► Download Humber Campus Compass on Google Play or the Apple App Store.

► Meet Maria, your tour guide for the North Campus virtual tour.

# LAKESHORE CAMPUS

**Humber's Lakeshore Campus is located a short distance away from Toronto's museums, theatres and galleries and it's also a destination all on its own that offers a mix of history and innovation in the vibrant neighbourhood of South Etobicoke.**

When you study at the Lakeshore Campus, you can learn in diverse environments, from a classroom in a historic 19th-century cottage to a booth in a state-of-the-art recording studio. The campus is one of the GTA's most recognized historic restoration projects with sustainability at the forefront.

The Humber Cultural Hub, which is being built right now, will be a destination for arts and culture and offer world-class film, media and performance facilities. It will also be one of the most sustainable developments in the country and a showcase for best practices in sustainability and energy efficiency.

Lakeshore hosts events and initiatives that engage both students and area residents. It's a place where college meets community.

► Meet Shay, your tour guide for the Lakeshore Campus virtual tour.

Humber is committed to all aspects of campus culture with Indigenous Cultural Markers, art installations and wellness services.

## HOUSING OPTIONS

### STUDENT RESIDENCE (ON-CAMPUS)

Humber provides residence space for 1,450 students between our two campuses.

On-campus housing is limited and is offered on a first-come, first-served basis.

► Once you have confirmed your offer of admission, apply early for a student residence room online at [humber.ca/residence](http://humber.ca/residence).

### OFF-CAMPUS HOUSING

There are many options for living off campus. The prices and conditions are not part of your tuition, and you will need to negotiate directly with the housing provider.

► To learn more, visit [places4students.com](http://places4students.com).

# HUMBER GLOBAL

We offer opportunities to expand your global experience with virtual and in-person programming at one of our global academic partner institutions, or right here in Toronto. This is your chance to explore different cultures and hear new perspectives.

## ACADEMIC EXCHANGES

Study and live abroad from two weeks up to an entire semester, while earning academic credits.

## GLOBAL WORK INTEGRATED LEARNING (WIL)

As part of your Humber program, you're given the opportunity to decide between completing your work placement in Canada or exploring an international placement. By engaging in a work-integrated learning (WIL) placement abroad, you can acquire valuable global skills, expand your knowledge, and gain a fresh perspective.

## GLOBAL SUMMER SCHOOL AT HUMBER

### DECLARATION OF WAIVER

The information in this viewbook is accurate as of July 15, 2023. Humber does its best to update program information regularly so that students are not inconvenienced. However, on occasion, changes do occur. Therefore, after July 15, 2023, Humber reserves the right to modify or cancel any program, profile, course, program objective, fee, timetable or campus location without notice or prejudice. It is also Humber's right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course or courses during the evening or on Saturday. Career opportunities listed in this publication are not a guarantee of employment. Our most up-to-date information can be found on our website at [humber.ca](https://humber.ca) in the 2024|2025 program pages.

The Humber Student Viewbook is published annually by the Government Relations, Marketing and Communications Department at Humber College Institute of Technology & Advanced Learning. This print publication is available while supplies last at all Humber campuses and is also available in an alternate format.

This publication was printed in an FSC® Certified, carbon neutral facility on Rolland Enviro 100 paper using clean, renewable, emissions-free electricity provided by Bullfrog Power. Renewable electricity reduces traditional power usage and greenhouse gas emissions generated from the production process. The remaining emissions were offset through the purchase of carbon offsets certified by Carbonzero.

# THE HUMBER HLO DIFFERENCE

Humber Learning Outcomes (HLOs) demonstrate our commitment to developing career-ready citizens. No matter which program you choose, you will graduate with the employability skills, mindsets and values that will benefit you throughout your career and your life. Embedded within each curriculum, you will have many opportunities to gain experience in these twelve attributes as a value-add to program-specific knowledge and skills. HLOs can be identified by symbols derived from Humber's connection to the Humber River, its ecosystem and its rich Indigenous history.
