WHY HUMBER? – WHAT OUR POLYTECHNIC APPROACH TO EDUCATION MEANS FOR YOU

- 4 Polytechnic Education** – We are putting theory into practice.
- 6 Global/International** – We are bringing the world to our classrooms and taking our classrooms to the world.
- 8 Humber's 50th Anniversary** – Where we've been and where we're going.

WE ARE HERE TO HELP – ENRICH YOUR EXPERIENCE AT HUMBER

- 11 Student Services** – Services and more to help you succeed in and out of the classroom.
- 12 Athletics** – There's something for everyone.
- 13 Humber Students' Federation** – Your student government.

CAMPUSES – WE HAVE GREAT SPACES

- 15 Campus Overview** – Locations
- 16 North Campus** – Our North Campus combines industry-standard facilities with a convenient location.
- 18 Lakeshore Campus** – Historic buildings and plenty of green space make our Lakeshore Campus special.
- 20 Centre for Entrepreneurship at Lakeshore Campus** – Get your business off the ground.
- 21 Orangeville Campus** – You don't have to go far to get far.

ACADEMIC INFORMATION – WE ARE ON THE PATH TO SUCCESS

- 23 Academic Schools** – Learn about the programs offered by Humber's eight academic schools.
- 24 Career Finder** – Take our quiz.
- 25 Make an Informed Choice** – Foundation, and General Arts and Science programs.
- 26 Apprenticeships** – Learn a highly skilled trade in a number of industries.
- 27 Certificate and Diploma Programs** – A great start to your career.

- 28 Degree Programs** – We'll help you get an education and start a career.
- 31 Postgraduate Programs** – Earn a postgraduate certificate to leverage your undergraduate studies into a career.
- 32 Admission Road Map** – How to get where you want to go.
- 34 Scholarships and Financial Aid** – Information on scholarships, bursaries and estimating your fees.
- 36 Academic Pathways and Transfers** – Create the ideal pathway to your goals.

- 40 Admission Requirements and Programs** – Find out what credits you need to enrol in the program of your choice.
- 52 Contest** – You could win \$5,000 toward your tuition!
- Contact Us** – Where to find important contact information.
- 53 Getting to Humber** – How to get to our campuses by car or public transit.

WE ARE PUTTING THEORY INTO PRACTICE

**FOR 50 YEARS,
WE'VE KNOWN
THAT GETTING A
CAREER-FOCUSED
EDUCATION MEANS
LEARNING HAPPENS
BOTH INSIDE AND
OUTSIDE THE
CLASSROOM.**

At Humber, our polytechnic approach to education means that you'll get lots of practical experience in facilities that mirror what you'll see in the working world. And with work placements in many of our programs, you'll have the chance to get on-the-job experience while you're still in school.

Your professors have extensive industry experience, so they know what employers are looking for. With small class sizes and instructors who know your name, you'll never be just a number here.

You've also got choices: complete a certificate, a diploma, a degree or an apprenticeship. Start with a diploma, then apply for advanced standing in a degree program. Complete a certificate, then pursue a diploma – we'll help you choose the path that's best for you.

Along with your classes, you'll have opportunities to participate in applied research, helping to solve real-world problems and make a difference. And if you want to go into business for yourself, we'll give you the tools and support you need.

AT HUMBER, STUDENTS CAN CHOOSE FROM A BROAD RANGE OF GLOBAL OPPORTUNITIES, WHICH CAN LAST FROM A WEEK ABROAD TO A FULL ACADEMIC SEMESTER.

More than 3,800 international students from more than 100 countries around the world call Humber home, making our community truly diverse and inclusive.

Enrol in Humber's Global Citizenship Certificate – an innovative, free program for students that will give you a career advantage in our culturally diverse and rapidly changing world.

 To learn more, visit international.humber.ca/global-citizenship.

With 24/7 communication across the globe, our world is getting smaller – so we offer lots of opportunities to go beyond borders and learn in a whole new way.

Each year, more than 400 Humber students make their world a little more connected by taking advantage of exciting global opportunities:

- Semester abroad
- Summer programs
- Internship/work placement
- Faculty-led study tours
- Service learning

 To learn more, visit international.humber.ca/study-abroad.

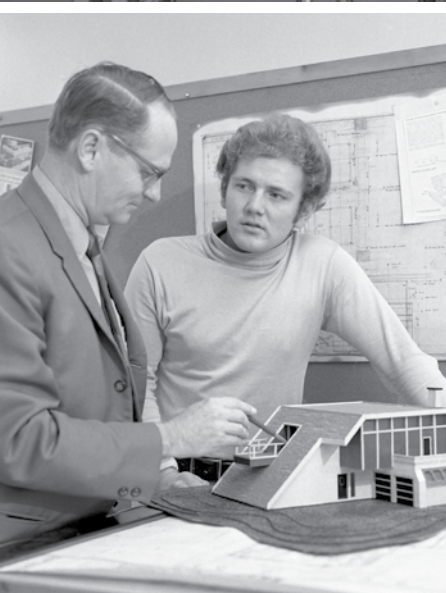

2017 MARKS OUR 50TH ANNIVERSARY. WE'RE CELEBRATING HOW FAR WE'VE COME – AND LOOKING FORWARD TO THE FUTURE.

Half a century – that's how long Humber has been offering life-changing learning experiences.

We now have more than 215,000 alumni who are working to make their communities and their world a better place. Join us for one of the celebrations we're planning – and be sure to check the website regularly as events will be added throughout 2017.

➔ For the most up to date information, visit humber50.ca.

HUMBER'S HISTORY

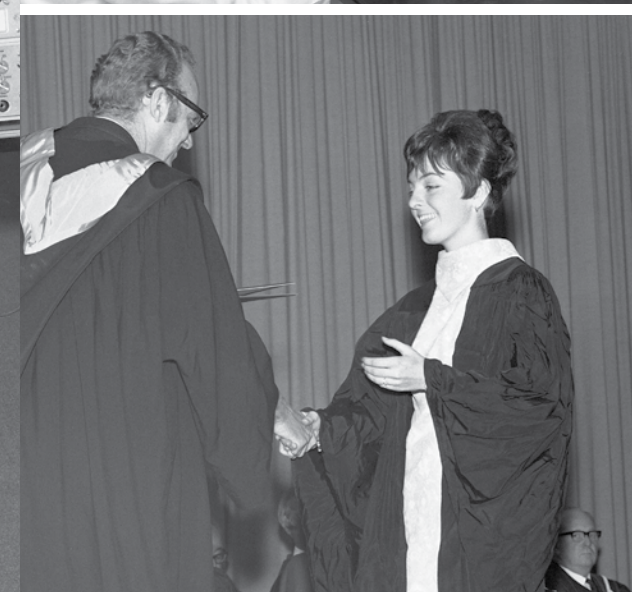

Humber takes its name from the Humber River, which has great significance to the history and development of Toronto.

Flowing through Adobigok (now Etobicoke), which means Place of the Alders in the Ojibwe Algonquian dialect, the river has long been important to the Aboriginal peoples of this area.

Humber was created when the Province of Ontario introduced the Ontario College System in 1967 with the goal of creating a highly skilled and knowledgeable workforce for Ontario's growing economy.

In 50 years, we've grown and evolved into an innovative and collaborative learning environment: a leader in polytechnic education.

We're looking forward to the next 50 years.

WE ARE HERE TO HELP

FIND EVERYTHING
YOU NEED TO ENRICH
YOUR EXPERIENCE
AT HUMBER.

WE HAVE A SERVICE FOR THAT.

WE MAKE IT EASY TO FIND WHAT
YOU'RE LOOKING FOR.

From academic advising, athletics and food services to counselling, financial aid and health services, you have access to support that will help you be your best, in and out of the classroom. Your college experience should be "I can't wait to see what's next" instead of "I just can't figure this out" – so we're here to help.

ATHLETICS

The Humber Hawks are the most successful college sports program in Ontario, leading both the Ontario Colleges Athletic Association (OCAA) and the Canadian Collegiate Athletic Association (CCAA) in overall medal count. In the 2015/2016 season, the Hawks won six national and 12 provincial gold medals in team and individual sports. In 2015/2016, both of the OCAA's Players of the Year were Humber students.

And if you don't want to play competitively, there are lots of other ways to get involved in athletics, from free fitness classes and gym access to intramural and extramural teams. Of course, you can always come out and cheer "Hawk Yeah!" from the stands as part of Hawk Nation.

HUMBER STUDENTS' FEDERATION

HUMBER IS A DIVERSE, ENERGETIC PLACE WHERE THERE'S ALWAYS SOMETHING GOING ON.

The Humber Students' Federation (HSF) provides services to more than 30,000 students in the Humber and Guelph-Humber communities. These include a flexible health and dental insurance plan, bursaries, sleep lounges and a free tax clinic – which help make your time on campus as enriching as possible.

HSF is proud to be the official on-campus student government, advocating on behalf of every student on a multitude of platforms and issues. HSF offers many leadership opportunities, encouraging all students to get involved, run in elections and have their voices heard. HSF also hosts a variety of fun events around campus, including Frosh and Frost weeks, and sponsors more than 50 clubs across all three campuses.

HSF will undergo an organizational rebrand in September 2016, so stay tuned for their new name and exciting new initiatives.

SHRADHA
3RD SEMESTER, BUSINESS – ACCOUNTING DIPLOMA

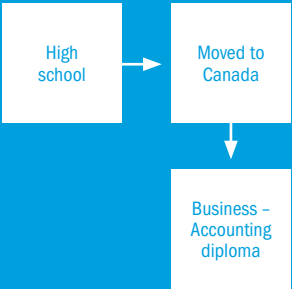

“WHEN I FIRST GOT HERE, THE WELCOME WAS AMAZING.”

I came to Toronto from Delhi last year to do my Business – Accounting diploma at Humber. I was looking for somewhere that was diverse, and I found it! The transition was actually easier than I thought it would be – Humber is such an inclusive community, and there's so much to get involved with, that I quickly felt like I was at home.

When I first got here, everyone told me that getting involved and making connections would be key to making my first year successful, and they were right. I got involved with First Year Experience and the International Centre, first as a student, then as a volunteer, helping to organize events and working as a peer mentor.

It can be difficult to make the transition into college, but getting involved and staying busy will really help. You may find that it's hard to talk to people and make friends, but joining a group makes it a lot easier to connect with other people.

SHRADHA'S PATHWAY

WE ARE A GREAT COMMUNITY

**OUR NORTH CAMPUS IS LOCATED
ON THE HUMBER RIVER, CLOSE TO
PEARSON INTERNATIONAL AIRPORT.**

**OUR LAKESHORE CAMPUS IS ON THE
EDGE OF LAKE ONTARIO, JUST WEST
OF TORONTO'S DOWNTOWN CORE.**

**OUR ORANGEVILLE CAMPUS
IS IN THE CHARMING TOWN OF
ORANGEVILLE, ABOUT ONE HOUR
NORTH OF TORONTO.**

NORTH CAMPUS

Humber's largest campus, located on the banks of the Humber River at Finch Avenue and Highway 27, is easily accessible from Brampton, Mississauga, Toronto and York Region, and is a public transit ride away from Toronto's bustling downtown.

Energetic and dynamic, the North Campus is home to our newest building, the Learning Resource Commons, an open, bright, six-storey facility that houses most of the campus's student services as well as a wide range of study, meeting and socializing spaces. The North Campus has residence space for 1,000 students, and features an arboretum with more than 250 acres of gardens, green space and hiking trails.

GREAT FACILITIES MEAN YOU'LL LEARN ON-THE-JOB SKILLS – AT SCHOOL.

Whether you're dining in the Humber Room, our student-run gourmet restaurant, or exploring the trails that run through our arboretum, Humber's North Campus has just the right balance of exceptional academics, vibrant cultural expression and peaceful serenity.

Campus highlights include:

- Digital media studios, radio station and television broadcasting facilities
- State-of-the-art science labs supporting a variety of health sciences programs
- The Design Centre, an open-concept studio-style setup where our design programs are based
- The Centre for Urban Ecology, a LEED gold-certified building, and the Humber Arboretum, a 250-acre park with trails and formal gardens
- The Canadian Centre of Culinary Arts and Science, the only facility in Canada to offer the Master Chef designation and the home of Humber's culinary programs
- The Humber Food Truck, where students in our culinary program have the opportunity to experience preparing meals in our new mobile classroom

LAKESHORE CAMPUS

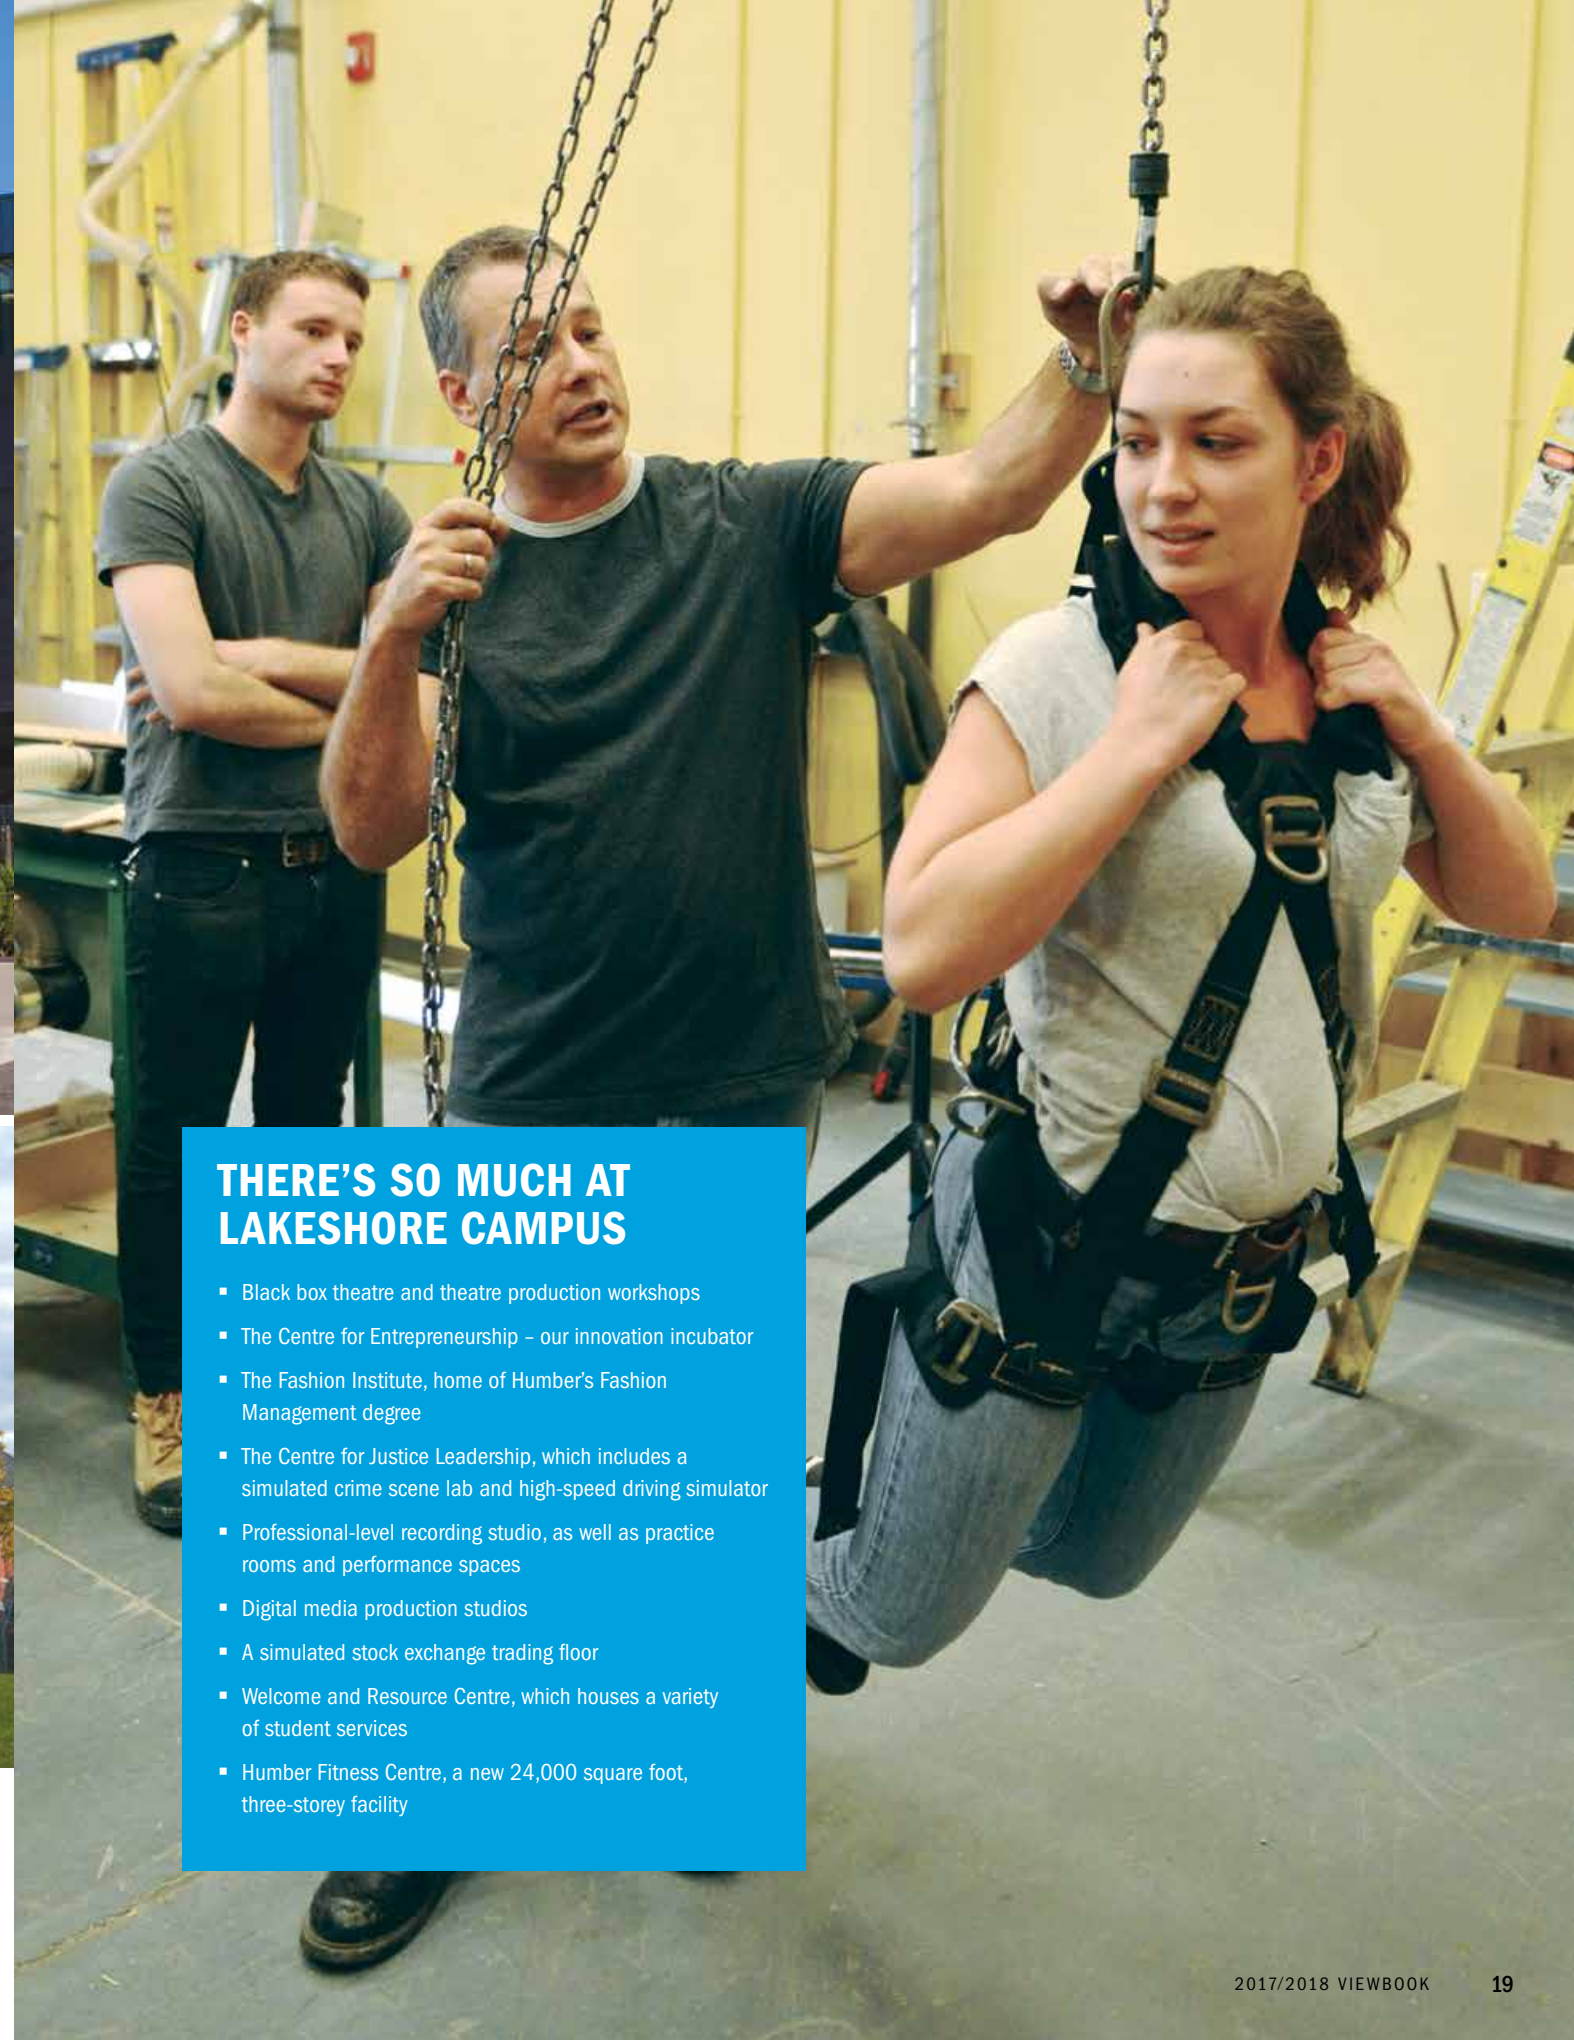

Historic architecture.
Modern conveniences.
Lots of ways to connect with nature.

Located in Toronto near the shore of Lake Ontario, Humber's Lakeshore Campus is where modern conveniences meet historic grandeur.

Centred on an academic "village" of ten restored heritage buildings, the Lakeshore Campus also features the gleaming, airy Lakeshore Commons, a hub for student activity and many of our programs. Our residence is home to 400 students. The Lakeshore Campus has an incredible variety of opportunities to put your learning into practice. Find all our student services under one roof at the Welcome and Resource Centre, and get fit in our new Athletics Centre.

 **SEE VIDEOS, GALLERIES
AND MORE AT**
humber.ca/viewbook.

THERE'S SO MUCH AT LAKESHORE CAMPUS

- Black box theatre and theatre production workshops
- The Centre for Entrepreneurship – our innovation incubator
- The Fashion Institute, home of Humber's Fashion Management degree
- The Centre for Justice Leadership, which includes a simulated crime scene lab and high-speed driving simulator
- Professional-level recording studio, as well as practice rooms and performance spaces
- Digital media production studios
- A simulated stock exchange trading floor
- Welcome and Resource Centre, which houses a variety of student services
- Humber Fitness Centre, a new 24,000 square foot, three-storey facility

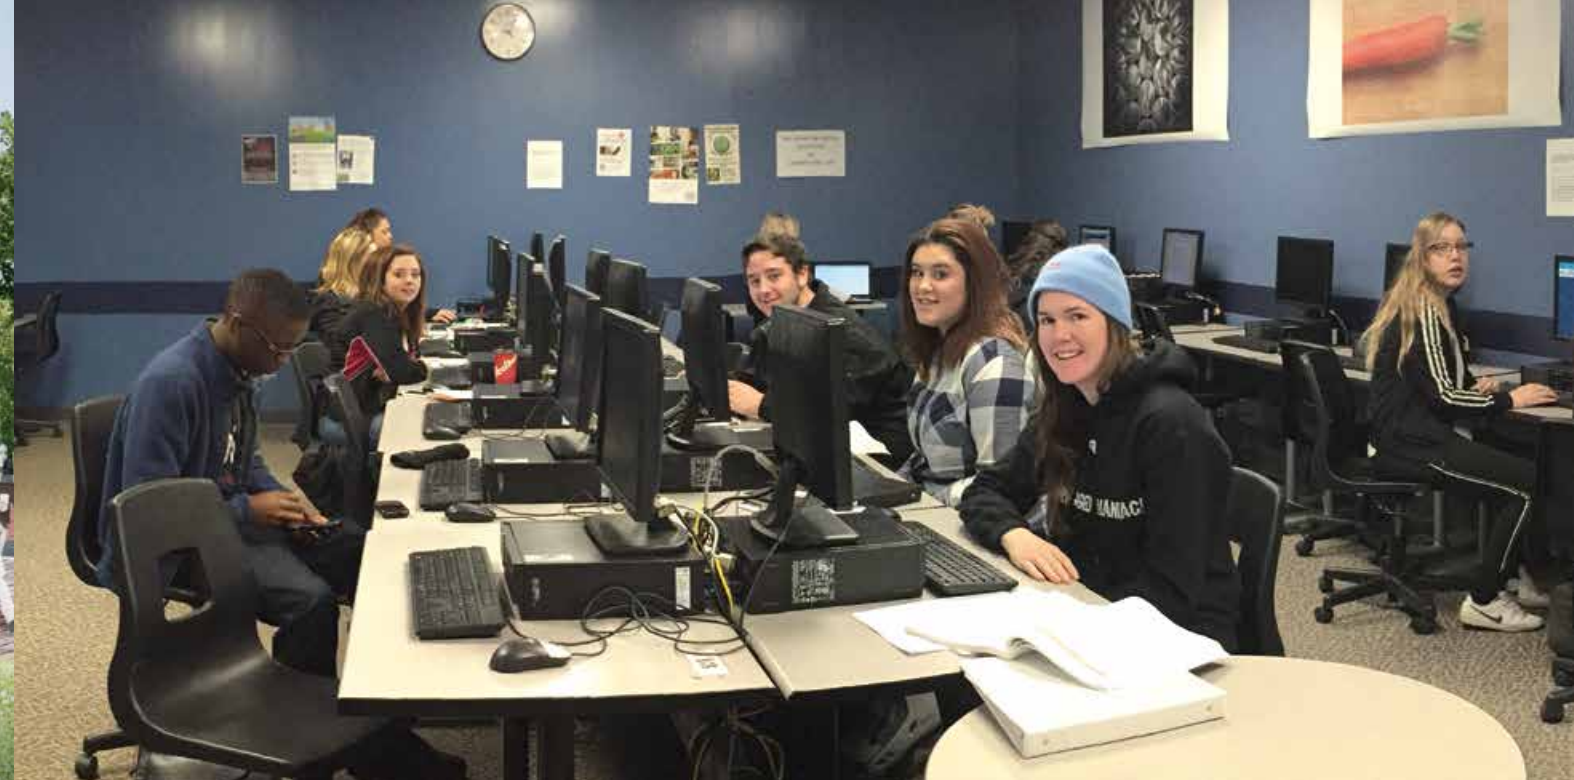

CENTRE FOR ENTREPRENEURSHIP AT LAKESHORE CAMPUS

Located at Humber's historic Lakeshore Campus, the Centre for Entrepreneurship provides training, resources and opportunities for all Humber students and graduates looking to start their own business. If you've got the beginnings of a startup concept, you'll be able to find mentors, ideas and feedback – and may even win funding to get your business off the ground.

The Centre for Entrepreneurship is welcoming, informal and energetic, with an emphasis on creativity and innovation.

ARTIST'S RENDERING

FARIA & COURTNEY

GRADS, BACHELOR OF COMMERCE – DIGITAL BUSINESS MANAGEMENT DEGREE/ENTREPRENEURS

“HUMBER’S SUPPORT HELPED US BUILD A SUCCESSFUL BUSINESS.”

Faria: I went to an Ontario university for four years, got my degree, and after working for a few years, realized I'd hit a plateau and decided that I needed more schooling if I wanted to advance my career. I went into the Bachelor of Commerce in Digital Business Marketing, and there I met Courtney.

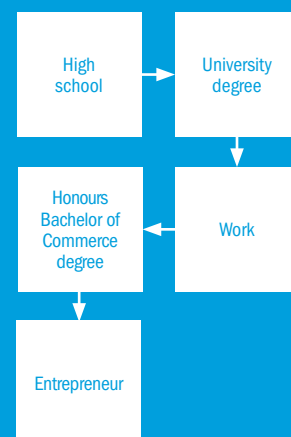

Courtney: I came to Humber right out of high school. Once I went on a campus tour at the Lakeshore Campus, I knew I didn't want to go anywhere else.

I've always loved organizing and tidying, and eventually I realized that it might be possible to turn that into a business.

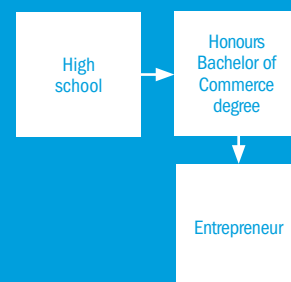

Faria: She had already organized my sister's house, and we all said, “Why don't you make this into a job?” We then started *Declutter with CoCo*, and applied for and won funding from the New Venture Seed Fund and the HumberLaunch pitch competition – \$29,000 in total.

Courtney: Our mentor has been amazing. The money has been great, but working with our mentor has been even more valuable. He has our back 100 per cent, and we couldn't have asked for better support.

FARIA'S PATHWAY

COURTNEY'S PATHWAY

ORANGEVILLE CAMPUS

You don't have to go far to get far.

Located one hour north of Toronto, our Orangeville Campus is where everyone knows your name. Home to Police Foundations, Early Childhood Education, Fitness and Health Promotion, General Arts and Science, and Social Service Worker programs, the Orangeville Campus is a key part of the local community and Dufferin County.

Campus highlights include:

- Access to community swimming pool, hockey rinks and on-site fitness centre
- Food court
- Library
- Free on-site parking

- Justice Studies
- Police Foundations
- Pre-Service Firefighter
- Protection, Security and Investigation
- Social Services Worker

For a complete list of programs, visit
humber.ca/programs.

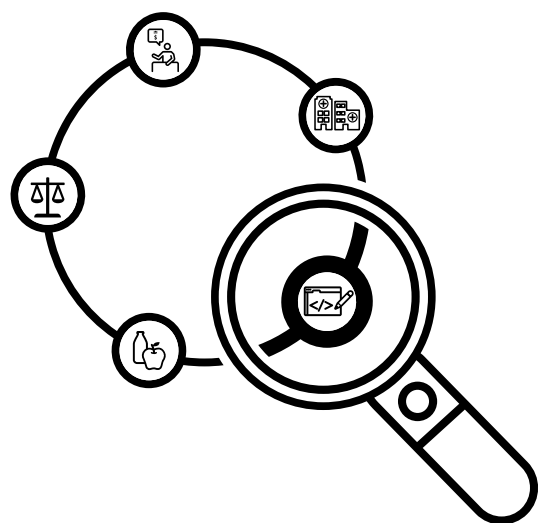

MAKE AN INFORMED CHOICE WITH OUR FOUNDATION, AND GENERAL ARTS AND SCIENCE PROGRAMS.

You're ready to begin your postsecondary education, but you need to improve your grades or want to explore your options. Our Foundation, and General Arts and Science programs can help get you where you want to go.

We have programs that will prepare you to complete a diploma at college or do a degree at Humber or another university, or get you ready to go into health sciences or technology.

You'll work in small classes, with a dedicated academic advisor to help you plan your future – whatever you choose to do.

NOT COMPLETELY SURE WHICH PROGRAM IS RIGHT FOR YOU?

You've checked out the program listings at **humber.ca/programs**, but you're still not sure what you want to study. No worries – we have a solution for you.

Use Humber's online CAREER FINDER career tool to help you explore which program may be best suited for you and your career goals.

It's simple: take our quick quiz to find out which careers match your interests, and you'll get connected with programs you may not have considered.

To get started, visit **humbercareerfinder.com**.

FOUNDATION PROGRAMS

CHOOSE FROM:

ART FOUNDATION

This program offers you a comprehensive foundation in the basics of visual arts. Working in a studio environment, you'll explore the creative process with different types of media.

DESIGN FOUNDATION

This program gives you the skills to put your creative flair and interest in visual arts into focus as you begin a career in design. Train in professional design with a diverse curriculum that features courses in interior, graphic and industrial design.

MEDIA FOUNDATION

With small class sizes and expert instruction in design, writing and computer skills, this program is an excellent stepping stone to more specialized media career training.

For more information, visit **humber.ca/programs**.

GENERAL ARTS AND SCIENCE PROGRAMS

CHOOSE FROM:

COLLEGE OR UNIVERSITY TRANSFER (TWO OR FOUR SEMESTERS)

Prepare for further study at college or university with a program incorporating humanities, math and science courses with academic writing and critical thinking skills. After four semesters, you may gain advanced standing in degree programs at Humber and other institutions.

HEALTH AND SCIENCE (TWO SEMESTERS)

If you're interested in a career in health sciences, this program will help you build the basic science and mathematics knowledge you'll need. You'll learn writing and critical thinking skills along with foundational knowledge of biology, chemistry, anatomy and physiology.

TECHNOLOGY (TWO SEMESTERS)

Gain important background knowledge in physics, chemistry, computer applications, AutoCAD and math, coupled with academic writing and critical thinking.

For more information, visit **humber.ca/liberalarts/programs/general-arts-and-science**.

APPRENTICESHIPS OFFER YOU A CHANCE TO LEARN A HIGHLY SKILLED TRADE IN A NUMBER OF INDUSTRIES.

We provide the required academic components towards an apprenticeship including technical theory and in-school training.

Skilled trades play an important role in our economy. The rapid pace of technological change and workforce retirements mean skilled tradespeople will be increasingly in demand in the near future.

At Humber, you'll use the latest industry software programs and learn in fully equipped labs and shops. Working with skilled instructors, you'll learn about current trends within the industry and work in a learning environment that mirrors what you'll see once you're on the job.

The first step in any apprenticeship is to get a job with an employer who is willing to sponsor you as an apprentice. Once that is done, contact the Ministry of Advanced Education and Skills Development* (tcu.gov.on.ca/eng/employmentontario/training/) to start your registration.

Apprenticeship programs are open to domestic students only.

*On June 13, 2016, the Provincial Government of Ontario announced the renaming of the Ministry of Training, Colleges and Universities to the Ministry of Advanced Education and Skills Development. Both names may appear in this publication.

➔ For up-to-date program information, visit humber.ca/programs.

MORE THAN **1,000**
AWARDS AND SCHOLARSHIPS
AWARDED TO ELIGIBLE STUDENTS LAST YEAR

YOU CAN CHOOSE FROM MORE THAN 100 CERTIFICATE AND DIPLOMA PROGRAMS AT HUMBER.

Our certificate and diploma programs are designed to give you a blend of theoretical knowledge and practical, hands-on experience.

Advanced diplomas take six semesters to complete and usually incorporate a work placement. Diplomas take at least four semesters, while certificates are usually less than four semesters. Technical certificates are generally three semesters.

➔ To learn more, visit humber.ca/programs.

HUMBER CONTINUES TO MEET THE DEMANDS OF A CHANGING WORK ENVIRONMENT BY OFFERING HONOURS BACHELOR'S DEGREES, AS WELL AS A DEGREE IN PARTNERSHIP WITH THE UNIVERSITY OF NEW BRUNSWICK (UNB).

OUR CAREER-FOCUSED HONOURS BACHELOR'S DEGREES ARE THE IDEAL BLEND OF THEORETICAL LEARNING AND PRACTICAL APPLICATION.

Classes are taught by professors who have active industry connections and outstanding academic credentials.

Most of our degree programs offer work placements or clinical experience, many of which are paid – meaning you'll get valuable job experience even before you graduate.

Add in small class sizes and an industry-guided, job-relevant curriculum, and your Humber degree will give you a definite advantage in a competitive world.

FOUR-YEAR HONOURS BACHELOR'S DEGREES

BACHELOR OF APPLIED ARTS

- Paralegal Studies

BACHELOR OF BEHAVIOURAL SCIENCE

BACHELOR OF CHILD AND YOUTH CARE

ALEC
2ND YEAR, INTERIOR
DESIGN DEGREE

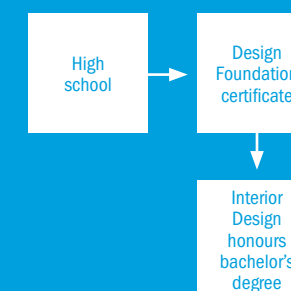

"MY DESIGN FOUNDATION CERTIFICATE WAS GREAT PREPARATION FOR HUMBER'S INTERIOR DESIGN DEGREE."

In high school, I wanted to get into architecture, but knew I had to improve my portfolio. My guidance counsellor suggested Humber's one-year Design Foundation certificate. At Humber, I learned about interior design, which is also known as interior architecture – and I knew that was what I really wanted to do. When I finished Design Foundation, I applied and got into Humber's Interior Design degree program.

The certificate was great preparation for the degree. Because I'd already studied drafting and model making, I was a lot more confident in my skills.

I discovered in first year that time management is key – all the projects were a little overwhelming at first, but my teachers had great advice. They see new students every year, and they know what our challenges are.

ALEC'S PATHWAY

WE WANT TO REWARD YOUR HARD WORK

You’ve worked hard to get where you are – and we want to recognize that.

DEGREE SCHOLARSHIPS

We offer automatic scholarships to newly admitted degree students entering their first year directly from high school:

ACADEMIC AVERAGE	DEGREE SCHOLARSHIP AMOUNT
95%+	\$4,000 renewable
90–94.9%	\$3,500 renewable
85–89.9%	\$3,000 renewable
80–84.9%	\$2,000 renewable
75–79.9%	\$1,500 one time

DIPLOMA TO DEGREE
TRANSFER STUDENT
SCHOLARSHIP

Humber awards degree scholarships to students entering any Humber honours bachelor’s degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

 To learn more, visit humber.ca/admissions/financial-aid/scholarships.

IF YOU ALREADY HAVE A DEGREE OR ADVANCED
DIPLOMA, TAKE YOUR EDUCATION TO THE NEXT LEVEL

Humber’s Ontario Graduate (Postgraduate) Certificate programs complement the postsecondary education you have already earned. They are offered in an accelerated, intensive format, typically two semesters long, and prepare you for a career in a specific field of work.

APPLIED TECHNOLOGY

- Project Management
- Supply Chain Management

FOLLOW THESE STEPS TO APPLY FOR YOUR DREAM HUMBER PROGRAM

To keep you on track, here are some key dates and timeframes for your application and enrolment process. Not all programs have a September, January and May start date.

➔ To learn more, visit humber.ca/future-students/admission-road-map.

KEY DATES LEGEND	 September start date	 January start date	 May start date
---------------------	--	--	--

STEP 1 RESEARCH HUMBER'S PROGRAMS

- Not sure what you want to study? Use Humber's online CAREER FINDER career tool at humbercareerfinder.com.
- Research programs at humber.ca.
- Have questions? Book an appointment to speak with a Recruitment Advisor at humber.ca/future-students/program-advising.
- Join us for a tour at our North, Lakeshore or Orangeville Campuses at humber.ca/future-students/book-tour.

KEY DATES
  
November March August

Start your research well in advance.

STEP 2 APPLY TO HUMBER

- Apply to Humber at ontariocolleges.ca.
- Be sure to submit your application by the equal consideration deadline of February 1, 2017. You may apply to programs after the equal consideration deadline if space permits.
- If you're an international student, you can apply directly to Humber. Go to international.humber.ca for more details.

KEY DATES
  
Mid-October Mid-October Mid-October

Submit your application.

STEP 3 TRACK YOUR APPLICATION

- Track the status of your application through Humber's student portal humber.ca/myhumber. We'll send you an email with your username and password after you've applied.
- Depending on your program, you may have to complete testing, submit a portfolio or come to campus for an assessment or audition. If your program has Secondary Requirements, you can see the details under Admission Requirements on the specific program web page.

KEY DATES
  
January June October

STEP 4

RECEIVE YOUR OFFER

- Congratulations! You've received an offer of admission from Humber. There are still a number of steps to complete before you start classes, so be sure to read the rest of this page very carefully.

KEY DATES
  
February July November

STEP 5

CONFIRM YOUR OFFER

- Confirm your offer at ontariocolleges.ca.
- If you're planning on living in residence, fill out your residence application online at residence.humber.ca as soon as possible. Residence spaces are offered on a first come, first served basis.

KEY DATES
  
May 1 November 1 March 1

Reserve your seat.

STEP 6

YOUR NEXT STEPS

- Many Humber programs require placement testing. This testing is not for admission, it's to make sure you're placed in the right English and (if applicable) math courses. Check your email for information on booking a test date.
- Have questions about services and supports available at Humber? Go to wegotyou.humber.ca for more information.
- Transferring from another institution? Learn more about your transfer options at humber.ca/transferoptions.
- If you have any questions at this stage of the process, contact enquiry@humber.ca.

KEY DATES
  
Mid-June Mid-November Mid-March

STEP 7

PAY YOUR FEES

- Find information about applying for bursaries, scholarships and the Ontario Student Assistance Program (OSAP) at humber.ca/admissions/financial-aid.
- Pay your deposit of \$500 (domestic students) or full semester tuition fees (international students) on humber.ca/myhumber.

KEY DATES
  
Mid-June Mid-November Mid-March

Pay your tuition deposit.

STEP 8

REGISTER FOR CLASSES

- Register for classes online at humber.ca/myhumber.

KEY DATES
  
July December April

Create your timetable.

STEP 9

ATTEND ORIENTATION

- Attend orientation to find out where your classes are, as well as all the other facilities and services available to you as a Humber student. Go to wegotyou.humber.ca to find out about all the services and support Humber has to offer.

KEY DATES
  
Early September Early January Early May

Register for orientation.

STEP 10

YOU'VE ARRIVED

- Welcome to your first day at Humber!

KEY DATES
  
Early September Early January Early May

YOU WANT A GREAT EDUCATION AND WE WANT
TO HELP YOU GET ONE. THERE ARE MANY WAYS
TO MAKE THAT POSSIBLE.

AWARDS AND SCHOLARSHIPS

Scholarships and awards are given to students based on merit and academic achievement. We can also help you find information about application-based scholarships both from Humber and from external sources. We awarded more than 1,000 awards and scholarships to eligible students last year, including entrance scholarships and awards for academic achievement.

For more information, go to humber.ca/studentawards.

Degree Scholarships

We offer automatic scholarships to newly admitted degree students entering their first year directly from high school.

To learn more, visit humber.ca/admissions/financial-aid/scholarships.

Diploma to Degree Transfer Student Scholarships

Humber awards degree scholarships to students entering any Humber honours bachelor's degree program who have completed a two- or three-year diploma from a publicly funded college. Students who have achieved a program GPA of 80% or better will be awarded a one-time scholarship of \$2,500. Diplomas do not have to be related to the degree program of choice and are not tied to the eligibility for advanced standing or transfer credit.

To learn more, visit humber.ca/admissions/financial-aid/scholarships.

BURSARIES

We provide bursaries to students who have financial emergencies or an ongoing financial need. There are bursaries available for students who are the first in their families to go to a postsecondary school, students who want to study abroad, and many more.

For more, visit humber.ca/bursaries.

OSAP

The Ontario Student Assistance Program (OSAP) provides federally and provincially funded loans and grants to eligible postsecondary students.

Learn more at ontario.ca/osap.

WORK STUDY PROGRAM

The Ontario Work Study Program enables you to work part time on campus to help finance your education. Check with the Academic and Career Advising Centre for job postings and eligibility information.

For details, go to humber.ca/workstudy.

50TH ANNIVERSARY
SCHOLARSHIPS

Humber will be celebrating its 50th anniversary in 2017. To commemorate this milestone, a new scholarship fund has been established. The 50th Anniversary Scholarship Program will offer scholarships to incoming students in 2017.

➔ To learn more, visit humber.ca/studentawards.

ESTIMATING YOUR FEES*	
Certificate or Diploma Tuition	\$4,200
Bachelor's Degree Tuition	\$7,200
Postgraduate Certificate Tuition	\$6,800
International Students Tuition	\$14,200
International Students - Postgraduate	\$14,800
Books	\$1,500
Supplies	\$500
Parking	\$580
Public Transit	\$1,250
Residence and Meal Plan	\$8,421-\$11,024

* **Note:** Estimated average cost for one year based on 2016/2017 rates covering two academic semesters. Costs will vary for each program. Co-op and/or lab fees are not included.

KEVIN
4TH YEAR, CHILD AND
YOUTH CARE DEGREE

“WORKING WITH CHILDREN
IS LIFE-AFFIRMING.”

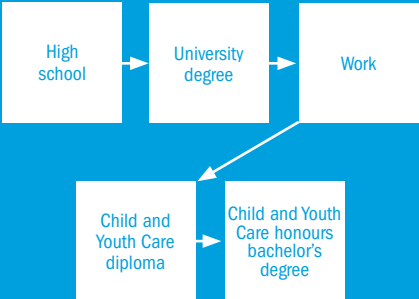

I went to St. Michael's College at the University of Toronto and studied philosophy. Once I graduated, I was working in a boring office job when I decided to go to Bolivia, where I volunteered for eight months in a children's home.

It was an incredible experience, and I realized I felt called to be of service to people.

So five years after graduating from U of T, I decided to go to Humber for the Child and Youth Care diploma, then decided to upgrade my diploma to a degree. Because I had been in the diploma program and got good grades, I was offered an automatic scholarship to move into the bachelor's degree. I also liked the idea of being able to do an internship.

Child and youth work has offered me a chance to work on behalf of people who were voiceless and marginalized – an excellent way to live out my hopes and dreams.

KEVIN'S PATHWAY

CHOOSE THE BEST PATH TO ACHIEVE YOUR GOALS.

There are lots of ways to meet your goals. We can help you choose the best path.

FOUNDATION PROGRAMS (2-3 SEMESTERS)

Our foundation certificates allow you to gain and upgrade the skills you need to pursue further studies or get on track to launch your career. These programs will help you build a portfolio, develop and hone your skills, or take the next step in your career.

CERTIFICATES (2-3 SEMESTERS)

One-year and short-term certificates allow you to establish a foundation of knowledge in a given field or upgrade your skills in your current career.

DIPLOMAS (4-6 SEMESTERS)

Our career-focused diplomas are designed to give you specialized knowledge, enabling you to be work-ready when you graduate.

APPRENTICESHIPS (3-5 YEARS)

Apprenticeships offer you the opportunity to learn an in-demand skill in a variety of fields. We help get you ready for the workplace through practical experience and in-school training.

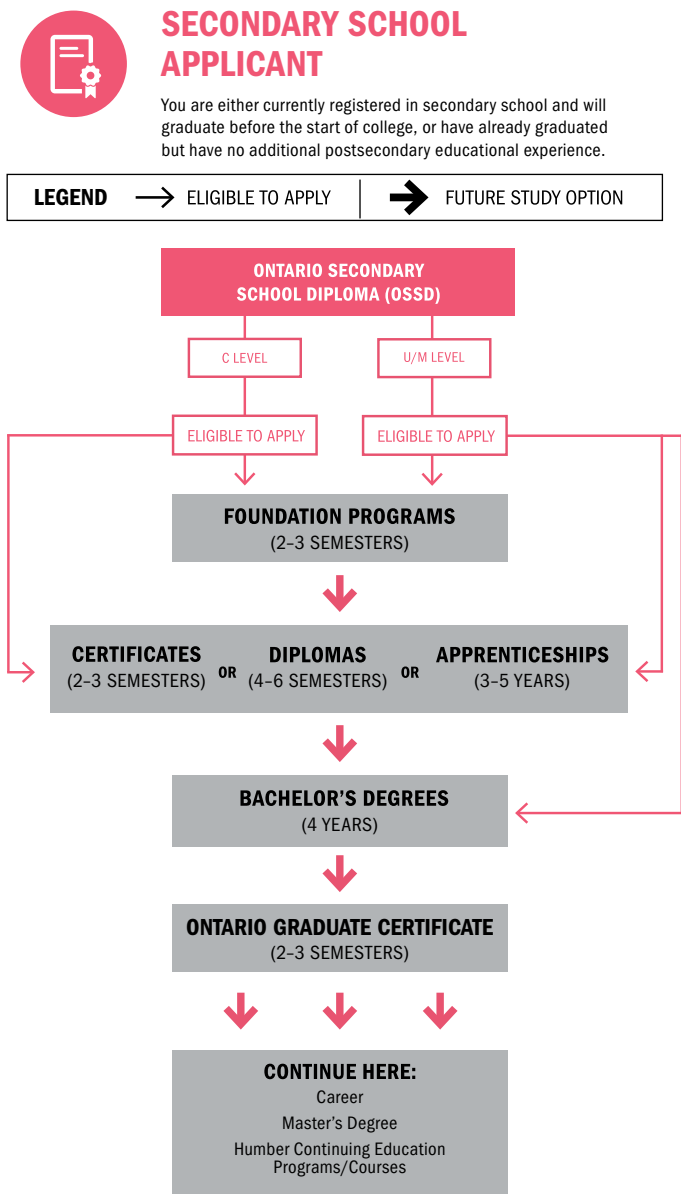

HONOURS BACHELOR'S DEGREES (4 YEARS)

Our honours bachelor's degrees give you the ideal balance of theoretical, academic knowledge and practical, career-oriented experience. We combine the highest academic standards with exceptional work placements and field placements.

ONTARIO GRADUATE CERTIFICATES (2-3 SEMESTERS)

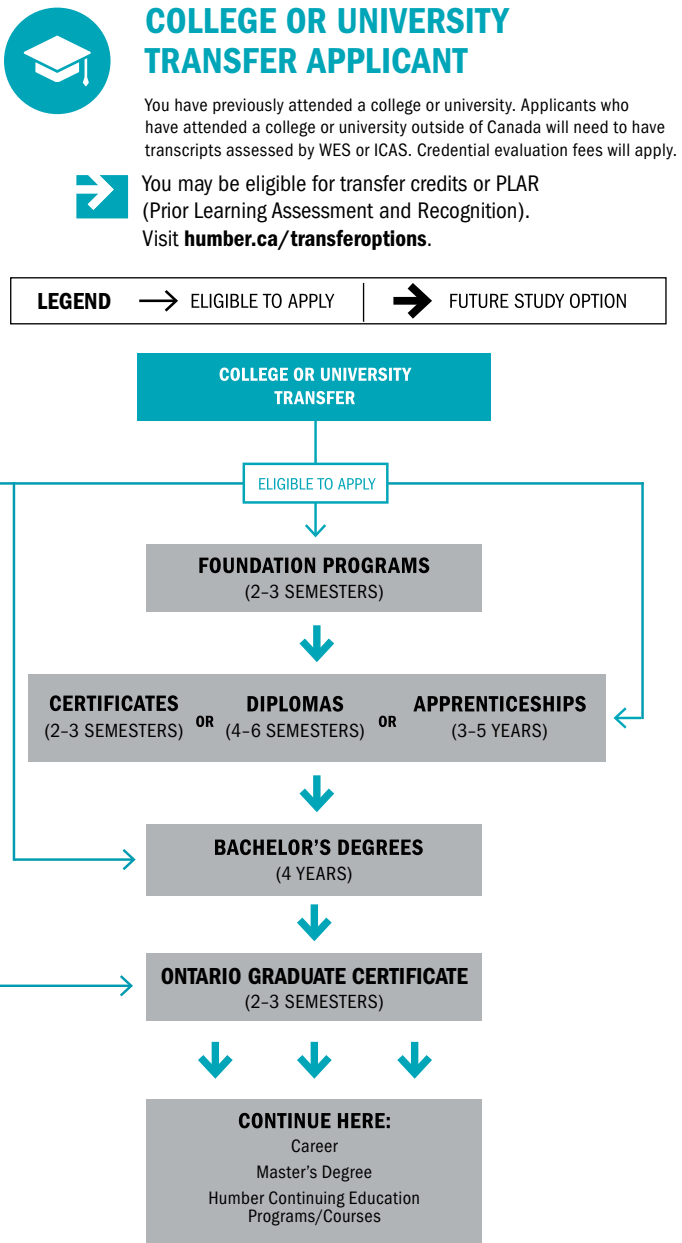

Intended for students who already have a bachelor's degree or a relevant postsecondary credential, a postgraduate certificate will give you specialized knowledge and job experience in your field of interest.

Learn more at humber.ca/transferoptions.

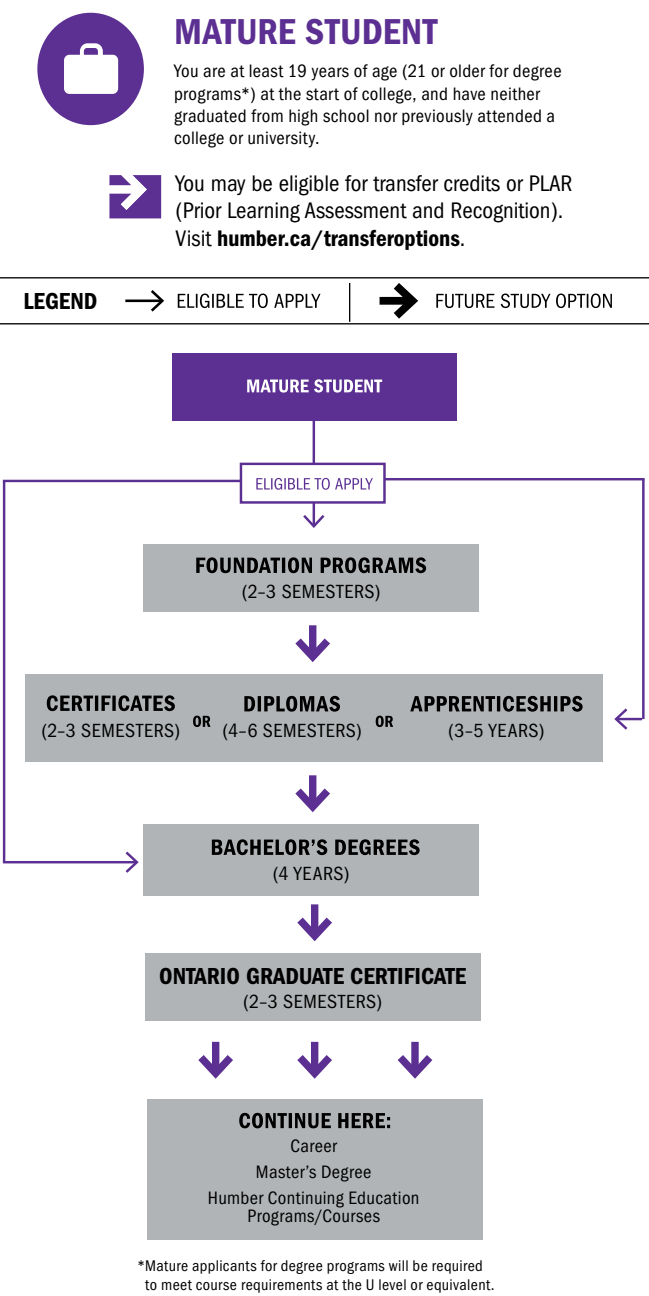

ASHIKA
Sport Management Diploma

What really impressed me about Humber was the small class sizes and the friendly faculty, who were happy to meet anytime to discuss anything school related or not. Also, I loved how there was always an event happening on campus.

TRUNG
Bachelor of Nursing Degree

If you're not sure what you want to do, Humber's a great place to learn because it has so many foundation programs. These programs give you enough exposure that you'll know quickly if that field is for you. I've been very happy with my experience in Humber's nursing program as it offers more clinical hours than any other college nursing program, as well as an anatomy lab that no other college offers.

KYLEE
Digital Communications Degree & Radio Broadcast Diploma Grad

Humber's environment was so welcoming and the people and staff so approachable that it felt like home. The school has a tremendous amount of resources on campus to assist you, and, having been in a prior college program, Humber made it very easy for me to transfer my credits. It was great to be in a program that had students from so many different backgrounds yet all had the same educational goals.

ACADEMIC PATHWAYS AND TRANSFERS

Students who have completed a related Ontario college diploma can use their college courses to gain admission and apply for advanced standing in a Humber degree program. Students who have completed at least a year of college-level study may also be considered for admission.

➔ For complete details, visit humber.ca/transferoptions.

COLLEGE DIPLOMA IN RELATED AREA OR FIELD OF STUDY	HUMBER FOUR-YEAR BACHELOR'S DEGREE	SEMESTERS REQUIRED TO COMPLETE THE DEGREE*
Paralegal Education Diploma (2yr)	Bachelor of Applied Arts – Paralegal Studies	6 semesters, plus one work term
Community and Justice Services Diploma (2yr)	Bachelor of Behavioural Science	7 semesters, plus one work term
Developmental Service Worker Diploma (2yr)		6 semesters, plus one work term
Social Service Worker Diploma (2yr)		7 semesters, plus one work term
Child and Youth Worker Diploma (3yr)	Bachelor of Child and Youth Care	4 semesters, plus one work term
Business Accounting Diploma (2yr)**	Bachelor of Commerce – Accounting	6 semesters, plus one work term
Business Administration – Accounting Diploma (3yr)**		5 semesters, plus one work term
Business Administration Diploma (3yr)		4 semesters, plus one work term
Business Management Diploma (2yr)		6 semesters, plus one work term
Business – Marketing Diploma (2yr)		7 semesters, plus one work term
Business Administration Diploma (3yr)	Bachelor of Commerce – Digital Business Management – Finance – Healthcare Management – Hospitality and Tourism Management – Human Resources Management – International Business – Marketing – Supply Chain Management	4 semesters, plus one work term
Business Management Diploma (2yr)		6 semesters, plus one work term
Business – Marketing Diploma (2yr)		6 semesters, plus one work term
Hospitality – Hotel & Restaurant Operations Management Diploma (2yr)		6 semesters, plus one work term
Tourism Management and Travel Industry Services Diploma (2yr)		6 semesters, plus one work term
Business Administration Diploma (3yr)	Bachelor of Commerce – Fashion Management	4 semesters, plus one work term
Business Management Diploma (2yr)		6 semesters, plus one work term
Business – Marketing Diploma (2yr)		6 semesters, plus one work term
Fashion Arts Diploma (2yr)		5 semesters, plus one work term
Hospitality – Hotel & Restaurant Operations Management Diploma (2yr)		6 semesters, plus one work term
Tourism Management and Travel Industry Services Diploma (2yr)		6 semesters, plus one work term
Architectural Technology Diploma (3yr)	Bachelor of Commerce – Management Studies	4 semesters, plus one work term
Business Administration Diploma (3yr)		4 semesters, plus one work term
Business Management Diploma (2yr)		6 semesters, plus one work term
Business – Marketing Diploma (2yr)		6 semesters, plus one work term
Civil Engineering Technology Diploma (3yr)		4 semesters, plus one work term
Computer Technology Diploma (3yr)		4 semesters, plus one work term
Electrical Engineering Technology Diploma (3yr)		4 semesters, plus one work term
Electromechanical Engineering Technology Diploma (3yr)		4 semesters, plus one work term
Electronics Engineering Technology Diploma (3yr)		4 semesters, plus one work term
Hospitality – Hotel & Restaurant Operations Management Diploma (2yr)		6 semesters, plus one work term
Mechanical Engineering Technology Diploma (3yr)		4 semesters, plus one work term
Sustainable Energy Building Technology Diploma (3yr)		4 semesters, plus one work term
Tourism Management and Travel Industry Services Diploma (2yr)		6 semesters, plus one work term
Advertising and Graphic Design Diploma (2yr)	Bachelor of Creative Advertising	6 semesters, plus one work term
Advertising and Marketing Communications Diploma (2yr)		6 semesters, plus one work term
Graphic Design Diploma (3yr)		4 semesters, plus one work term
Media Communications Diploma (2yr)	Bachelor of Digital Communications	5 semesters, plus one work term
Multi-Media Design and Development Diploma (2yr)		5 semesters, plus one work term
Web Design and Interactive Media Diploma (3yr)		4 semesters, plus one work term

COLLEGE DIPLOMA IN RELATED AREA OR FIELD OF STUDY	HUMBER FOUR-YEAR BACHELOR'S DEGREE	SEMESTERS REQUIRED TO COMPLETE THE DEGREE*
Film and Television Production Diploma (3yr)	Bachelor of Film and Media Production	4 semesters, plus one work term
Industrial Design Diploma (3yr)	Bachelor of Industrial Design	Graduates of 3 years Industrial Design diploma programs will be assessed on an individual basis for transfer credit.
Interior Design Diploma (3yr) [†]	Bachelor of Interior Design	4 semesters, plus one work term
Architectural Technology Diploma (3yr) [†]		
Graduates of diploma programs will be assessed on an individual basis for transfer credit.	Bachelor of International Development	
Journalism Diploma (3yr)	Bachelor of Journalism	4 semesters, plus one work term
Graduates of diploma programs will be assessed on an individual basis for transfer credit.	Bachelor of Music	
Public Relations Diploma (2yr)	Bachelor of Public Relations	6 semesters, plus one work term
Public Relations Diploma (3yr)		5 semesters, plus one work term
Community and Justice Services Diploma (2yr)	Bachelor of Social Science – Criminal Justice	4 semesters, plus two work terms
Police Foundations Diploma (2yr)		4 semesters, plus two work terms
Protection, Security and Investigation Diploma (2yr)		6 semesters, plus two work terms

* The advanced standing outlined in this chart is a general guideline. Diploma graduates may be required to take courses offered in lower semesters in order to meet the overall degree learning outcomes. Specific program grade point averages (GPAs) and subject requirements are required for admission.

**Please Note: Graduates of Humber’s Business Accounting Diploma (2yr) may be eligible to complete the Bachelor of Commerce – Accounting in 5 semesters, plus one work term. Graduates of Humber’s Business Administration – Accounting Diploma (3yr) may be eligible to complete the Bachelor of Commerce – Accounting in 3 semesters, plus one work term.

[†] Please Note: This pathway is for Humber graduates only. Graduates of similar Ontario College diplomas will be assessed on an individual basis for transfer credit and should apply through ontariocolleges.ca.

ADMISSION REQUIREMENTS AND PROGRAMS

CERTIFICATES, DIPLOMAS AND DEGREES

Program Name	Academic and Secondary Requirements	Career Options	Semesters	Campus/ Semester Start	Work Placement
APPLIED TECHNOLOGY					
Certificates and Diplomas					
Architectural Technology	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Producing design and construction documents, project co-ordinators, estimators and project inspectors, housing specialists, sales representatives for construction equipment manufacturers, building inspectors and plan examiners.	6	North: Sept/Jan	✓ (optional)
Cabinet Making	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Store fixtures, architectural millwork (doors and windows), the kitchen cabinet industry as well as furniture construction.	3	North: Sept/Jan	
Civil Engineering Technology	Grade 12 English (ENG4C or ENG4U), Grade 12 Math (MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C is acceptable at 81 per cent or higher) or equivalent, and two Grade 11 or 12 C, M or U courses.	Designers, project managers, inspectors, drafters, or contractors on structural, municipal, transportation or environmental projects.	6	North: September	✓ (optional)
Design Foundation	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses.	Prepare for specialized design study such as industrial design, interior design, interior decorating, graphic design, architecture, civil engineering or building technology.	2	North: September	
Electrical Engineering Technician – Control Systems	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Technologists who design, maintain, service or sell automated industrial, electrical machines, electrical control, power and process instrumentation systems and equipment.	4	North: Sept/Jan	
Electrical Engineering Technology – Control Systems	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Technologists who design, maintain, service or sell automated industrial, electrical machines, electrical control, power systems, power distribution protection and control, and process instrumentation systems and equipment.	6	North: Sept/Jan	✓
Electrical Techniques	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Electrical apprenticeship programs, power generation, and green energy and automation.	2	North: Sept/Jan/May	
Electromechanical Engineering Technician – Automation and Robotics Profile	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Processing, packaging, power generation, mining, machine assembly, troubleshooting and testing, systems integration, application support, maintenance, component testing and assembly, automation programming, robotic maintenance and programming, and technical sales and services.	4	North: September	
Electromechanical Engineering Technology – Automation and Robotics Profile	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Process control, PLC programming, packaging, power generation, mining, machine design, building automated systems, maintenance, transportation, systems integration, component testing, technical sales quality control and a host of other fields.	6	North: September	✓
Electronics Engineering Technician	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Broadcasting networks, telecommunication carriers, manufacturers of electronics equipment, and manufacturers of scientific, medical and industrial instrumentation.	4	North: Sept/Jan	
Electronics Engineering Technology	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Manufacturers' representatives, technical salespeople, managers and entrepreneurs.	6	North: Sept/Jan	✓
Heating, Refrigeration and Air Conditioning Technician	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Design, install, service and retrofit heating, ventilation, air conditioning and refrigeration (HRAC) equipment.	4	North: September	
Heating, Refrigeration and Air Conditioning Technology	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Heating, ventilating, air conditioning and refrigeration manufacturers, consulting engineers, architects, process industries, wholesalers, distributors, mechanical contractors, building owners, chain stores, energy management firms, property management companies, and school boards.	6	North: September	
Home Renovation Technician	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Assistant site superintendent or work in a specific sub trade: drywall, hardwood installation, trim work.	3	North: Sept/Jan	
Industrial Woodworking Technician	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Store fixtures, architectural millwork (doors and windows), the kitchen cabinet industry, as well as furniture construction.	3	North: Sept/Jan	
Interior Decorating	Grade 12 English (ENG4C or ENG4U), any three Grade 11 or 12 C, M or U courses.	Interior decorating magazine editors-in-chief, featured magazine interior decorators, TV personalities, guest TV decorators, newspaper feature article leaders, interior decorating business owners, event planners, managers of decorating retail stores, design consultants and buyers.	4	North: Sept/Jan	✓
Landscape Technician	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Opportunities exist with landscape contractors, design firms, design-build firms, garden centres, nurseries, municipalities, golf courses and in technical sales.	4	North: September	

* Students who do not possess Grade 12 U Mathematics or who have achieved a grade below 60 per cent may be considered for admission. Students will be required to complete a math equivalency course during their first or second semester at Humber. Additional course fees will apply.

Mature students should refer to specific course selection for admission requirements. International students should refer to **international.humber.ca** for admission requirements and application information.

Secondary requirements may include a portfolio, audition, letter of intent, references, etc., and vary by program. Visit your program page for complete details.

Program Name	Academic and Secondary Requirements	Career Options	Semesters	Campus/ Semester Start	Work Placement
APPLIED TECHNOLOGY					
Certificates and Diplomas					
Mechanical Engineering Technician	Grade 12 English (ENG4C or ENG4U), Grade 12 Math (MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C is acceptable at 81 per cent or higher) or equivalent, and two Grade 11 or 12 C, M or U courses.	Mechanical design, production, testing, consulting and service industries, machine tool sales and service departments.	4	North: September	
Mechanical Engineering Technology	Grade 12 English (ENG4C or ENG4U), Grade 12 Math (MCT4C, MDM4U, MCB4U, MGA4U, MCV4U or MHF4U – MAP4C is acceptable at 81 per cent or higher) or equivalent, and two Grade 11 or 12 C, M or U courses.	Drafting and design, equipment testing, mechanical equipment installation and consulting engineering offices – the metal cutting industries, programming, cost estimating, quality control and inspection, and in machinery sales.	6	North: September	✓
Mechanical Techniques – Millwright	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Millwright apprenticeship programs, construction and industry work, metal fabrication, green energy.	2	North: Sept/Jan/May	
Plumbing Techniques	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Apprenticeship, construction industry work, green energy initiatives, and municipal water and sewage treatment.	2	North: Sept/Jan/May	
Sustainable Energy and Building Technology	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Sustainable energy project manager, energy auditor/analyst/modeler, sustainable building technologist, technical support specialist, government energy policy analyst, sustainable project supervisor/manager, business operator/entrepreneur.	6	North: September	✓
Urban Arboriculture – Tree Care	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses.	Municipalities, provincial and federal governments, and public utilities.	2	North: January	✓
Welding Techniques	Grade 12 English (ENG4C or ENG4U), any Grade 12 C or U Math, and two Grade 11 or 12 C, M or U courses.	Manufacturing and fabricating, automotive, heavy equipment production, automation, and construction.	2	North: Sept/Jan/May	
Degrees					
Industrial Design (Bachelor of)	Six Grade 12 U or M courses including Grade 12 U English minimum 65 per cent, and any Grade 12 U Math minimum 60 per cent.* Overall minimum grade point average (GPA) 65 per cent. Secondary requirements: Portfolio and writing sample.	Design laptops and mobile devices, sports cars and off-road recreational vehicles, contemporary furniture and lighting, running shoes and sports equipment, designer kettles and cappuccino makers to name a few.	8	North: September	✓
Interior Design (Bachelor of)	Six Grade 12 U or M courses including Grade 12 U English minimum 65 per cent, and any Grade 11 or 12 U or M Math minimum 60 per cent. Overall minimum grade point average (GPA) 65 per cent. Secondary requirements: Portfolio and writing sample.	Corporate, health-care, retail, commercial, hospitality and residential design.	8	North: September	✓
ARTS AND PERFORMANCE					
Certificates and Diplomas					
Acting for Film and Television	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses. Secondary requirements: Audition and letters of reference.	Webisodes, virtual reality and gaming videos, voice-overs for cartoons, commercials, narration and audio dialogue replacement (dubbing).	4	Lakeshore: September	
Comedy: Writing and Performance	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses. Secondary requirements: Audition and \$50 assessment fee.	Stand-up comedy, sitcom/ film performance, production and writing, broadcasting and production, advertising and voice-overs, sketch comedy and writing.	4	Lakeshore: September	
Jazz Performance – Introduction to Commercial Jazz (Ministry Title – Introduction to Commercial Jazz Music)	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses. Secondary requirements: Online Audition and \$50 audition fee.	Other diploma and degree programs including the Bachelor of Music.	2	Lakeshore: September	
Theatre Performance	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses. Secondary requirements: Audition and \$50 assessment fee.	Directors, producers, and writers, as well as film actors, music theatre actors, puppeteers, and voice actors.	6	Lakeshore: September	
Theatre Production	Grade 12 English (ENG4C or ENG4U), and three Grade 11 or 12 C, M or U courses. Orientation session.	Carpenters, prop builders, puppeteers, conventional and moving light technicians, sound technicians, wardrobe personnel, riggers, pyrotechnicians and scenic painters.	4	Lakeshore: September	
Degrees					
Music (Bachelor of) Bass, Cello, Drums/ Percussion, French Horn, Guitar, Keyboard, Saxophone/Woodwind, Trombone, Trumpet, Tuba, Violin, Voice	Six Grade 12 U or M courses including Grade 12 U English minimum 65 per cent.* Overall minimum grade point average (GPA) 65 per cent. Secondary requirements: Audition.	Careers such as Performing Artist, Clinician, Producer, Engineer, Songwriter, Arranger, or Composer in a wide range of styles and idioms.	8	Lakeshore: September	✓

CERTIFICATES, DIPLOMAS AND DEGREES

**Apprenticeships are regulated by the Ontario College of Trades. Applicants are required to register through their local Apprenticeship Branch Office of the Ministry of Advanced Education Skills Development. Please note that on June 13, 2016 the Provincial Government of Ontario announced the renaming of the Ministry of Training, Colleges and Universities (MTCU) to the Ministry of Advanced Education and Skills Development. Both names may appear in this publication.

Mature students should refer to specific course selection for admission requirements. International students should refer to **international.humber.ca** for admission requirements and application information.

DECLARATION OF WAIVER

The information in this document is accurate as of June 15, 2016. After June 15, 2016, Humber reserves the right to modify or cancel any program, option, course, program objective, fee, and timetable or campus location without notice or prejudice. It is also Humber's right to schedule classes any time, Monday through Saturday. Students should be aware that it may be necessary for them to take a course during the evening or on Saturday. Career options listed in this publication are not a guarantee of employment. Our most up-to-date admissions information can be found in our 2017/2018 online calendar.

For more information, visit **humber.ca/admissions**.

NOTE FOR ALL CERTIFICATE, DIPLOMA, DEGREE AND APPRENTICESHIP PROGRAMS

Grade and/or course requirements are used in the selection processes for all programs. If applicants are enrolled in Grade 12 required subjects (as indicated under each program) in the second semester (February to June), Grade 11 marks will be used to determine eligibility; however, successful completion of an Ontario Secondary School Diploma (OSSD) or equivalent is required for admission.

For more information, visit **humber.ca/admission-requirements**.

YOU COULD WIN \$5,000 TOWARD YOUR TUITION*

Visit humber.ca/win to learn more.

* Visit humber.ca/win and fill out our online form. One prize of \$5,000.00 (CDN) to be used toward tuition at Humber College is available to be won. Contest will run from September 6, 2016 to July 21, 2017. Draw date July 25, 2017. Winner will be required to answer a skill testing question. Odds of winning depend on the number of entries received. Contest is open to new incoming, domestic, first semester students starting a program at Humber College in September 2017. Contestant must be a resident of Canada excluding Quebec. No purchase necessary. For complete rules visit humber.ca/win.

ENVIRONMENTAL IMPACT SAVINGS

By choosing 100% post-consumer recycled paper over 100% virgin fibre paper, we saved:

 **285 trees**
(19 tennis courts)

 **1,040,030 L** of water
(2,972 days of water consumption)

 **12,750 kg** of waste
(1 garbage truck)

 **41,823 kg CO₂**
(emissions of 14 cars per year)

 **250 GJ**
(energy consumption of 2 households per year)

 **54 kg NO_x**
(emissions of 1 truck during 167 days)

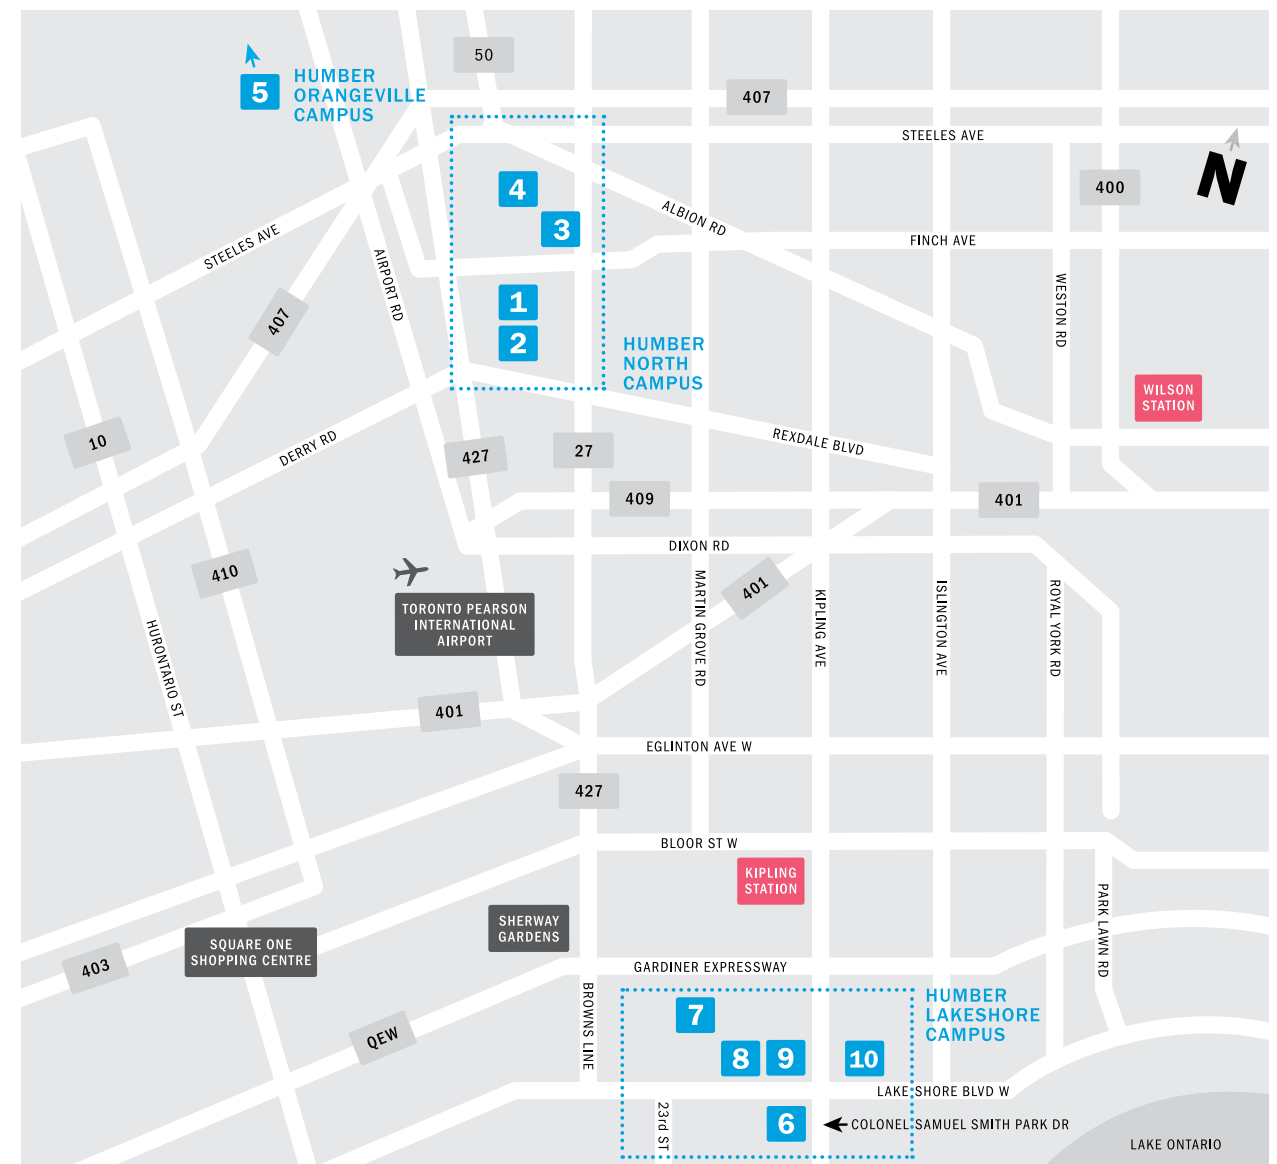

Environmental impact estimates were generated by Rolland Enterprises.

The cover and inside pages are printed on Rolland Enviro100 which contains 100% post-consumer waste fibres.
