**\*\* Please identify the role of each group member!**

**Group Expectations:**

The group is expected to demonstrate positive cohesive teamwork while developing and presenting this assignment. All members of the group are to make equal efforts for the success of the group presentation. All group members are to fulfill the responsibilities of completing the assignment and making strong efforts for success related to group role expectations.

**Exit Clause:**

The group leader will determine if each member of the group is meeting his/her individual obligation, and may warn the member(s) of poor contributions. When a group member(s) continuously causes group dysfunction, the leader and offending member(s) must meet with the teacher. When a group member(s) chooses not to meet the minimum expectations of positive group cohesion, that member(s) will receive a grade of 0 (zero) for the group presentation and be removed from the group. The teacher has the final decision making responsibility for an exit from the group.

*Students are responsible for submitting the group process contract to the teacher by week 6 during class time. When your group chooses not to submit the group process contract, all group members will lose 5% of the final grade on the group presentation.*
